Summer is coming to a close, but we have  
the girls to heat up those loins.

The beautiful Karlee Grey is back, but this  
time the tables are turned. "After my last  
shoot as a submissive, and trying that out in  
my life, I decided I wanted to explore my  
dominant side. I love the head space sub-  
mission provides. I know what all the toys  
and whips feel like. It gave me the confi-  
dence to Top. I met this guy who really  
wanted to use chastity cages, I figured *Why  
not?* So I researched it. I had a willing, expe-  
rienced slave who begged me to try it out.  
Now I'm his key holder and I have total con-  
trol over his cock 24/7. I should have done  
this sooner!"

Well, we are glad that worked out.

Also in this issue, the leggy Ashley Lane  
debuts. She prefers being in suspension  
bondage, and a firm spanking, no warmup  
needed.

If you are a fan of bound tits, you're in  
luck. Stella Cox trusses up quite nicely. And  
there is a little hair bondage thrown in for  
good measure.

Mistress Adrienne visits from the great  
city of New York to offer a peek inside her  
world of domination. Fascinating and sexy,  
she delves into the minds of those who dare  
to call upon her. Are you looking to add  
some spice to your sex life? She knows ex-  
actly what you need.

And send in those pics and/or stories for  
publication!

## ***Why did you decide to become a femme?***

I decided to become a femme in 2006 after a stint in acting school. We were studying Isben's play *A Doll's House*, where the protagonist leaves her husband in order to find herself. It was speculated that she succumbed to sex work to support herself, and this was considered a tragedy. I was appalled by the sense of failure both students and teachers attributed to the character. I felt it was better to attempt liberation through sex work rather than play it safe by sticking with a man or life that one is bored with. The theater soon bored me, and I too sought freedom and self-discovery in the world of professional sexuality. I gravitated toward the role of the dominatrix.

## ***What are your personal fetishes?***

My personal fetishes are highly sensory. The scent of my skin mixed with leather. The sight of a perfect arch on a stiletto shoe. The feel of rubber caressing my curves as I walk. The creaking sound of a tight leather catsuit as I cross my legs. The unique scents and tastes of each piece of leather I own. Leather becomes more personal with each wear. It holds the memories of the wearer.

## ***Is there a profile that fits your customer?***

No. I see a variety of men, aged 22-75. Some are artists, some businessmen, some college students. Many of them relate to my music tastes, which I post on social media. I believe that the glimpses I allow into my personal life and tastes make me more relatable.

## ***Do they want to come in their session?***

If they do, they had better beg for it and serve me to their best ability! An orgasm is a privilege, but to be in chastity is even more stimulating. Denial can strengthen sexual desire. Of course most men are horny and begging to come, but the

deeper they get in training, they learn the pleasure of rejection and to put my desires before their own.

## ***Are they denied?***

It depends. Sometimes I want a good show, so I make the sub eat his cum. The best position for this is to have the man on his back with his legs held high in the air by me as he masturbates himself to come all over his face, hopefully catching the majority of the load in his slutty mouth.

## ***What do you enjoy most about being a femme?***

I enjoy living life like a rock star, connecting with strangers in the form of sexual theater. Being the frontwoman, it is my show, and I take great pleasure in performing. The tokens of appreciation are fantastic: My apartment is always blooming with exotic flowers; my wardrobe is full of furs, leathers and designer footwear. Many may expect me to say I enjoy the power most of all. It is a force. Being a femme allows me to add fantasy and sex to that force, and it becomes superhuman and ultrafabulous.

## ***How do you choose men for a session?***

If I'm seeing a new client, there is a screening process beforehand. I like to do a phone call a few days before the session and discuss if there are any limits. If the client has expressed interests in something I don't allow (such as intimate body worship or stinky feet), I am sure to let him know that I will not participate. Men respect my transparency.

## ***Talk about male chastity.***

I use chastity with men that are willing to commit. I refuse to use chastity only for the duration of a session. If a guy wants to experience chastity, it's pointless if I send him home with his dick swinging. Being locked up for a few hours is a mockery. Key holding is sacred. Chastity

is for long-term training. It teaches the slave that his dick no longer belongs to him; it belongs to his Mistress. Men become much better slaves when in chastity—more focused and dedicated.

## ***What kind of man likes CBT?***

All types of men like CBT! Light cropping on the cock is typically more tolerable than torture to the balls. However, I love ball-kicking and find ways to ease men into it. For instance, I like to do light taps with my bare feet as a starter. Most guys enjoy the contact and don't want to appear wimpy if I point out that I'm not kicking, just tapping. After that, I might demand one small kick. Once the man has been humiliated in this way, he learns deeper submission and the sexual stimulation that humiliation can ignite. Humiliation surrounding one's genitals and sexuality can be especially provoking. After such an experience, many men decide they like the activity, painful though it may be. The best slaves will tolerate CBT even if they do not like it, simply to please their Mistress. I have yet to meet a Mistress that doesn't enjoy CBT.

## ***What about piss play?***

I enjoy giving golden showers very much: the heat of the piss, the scent that is so personal, and the dedication and humiliation that may arise in the submissive. All are great turn-ons to me. This is a fun activity to do in public. I love finding deserted alleyways in the city and telling a man to lie down, only to piss all over his face as the steam rises in the dark city air. The other, more upscale, option is to take a glass of white wine to the bathroom [at a social gathering] and replace the alcohol with my nectar. Many men have become obviously aroused under their suit when they gulp down my piss in front of the general public. It's fun to know you are doing something naughty!

## ***Have you done fetish modeling before and under what circumstances?***

I've always had an interest in fetish modeling, especially because, before I got into porn, I always used to watch kink. But I started when I came to the U.S. I mean, I did *some* stuff back in England, but there aren't that many fetish photographers or websites back there. But the stuff I did do, I liked, and I got the opportunity to do more of it when I moved here.

## ***What fetishes do you like, and do you have an interest in fetish in your private life?***

I go through phases. There are things that I haven't explored or heard of yet, but last year I was really into the "daddy" thing. I'm so glad *that's* over! But other than that, I enjoy being a submissive and tied up and gagged.

## ***Why did you want to work with TABOO?***

I think it's a different magazine that suits me and suits my look, and my fans will be really happy about it!

## ***Have you ever been spanked before?***

Yes, and I like it, but my skin is very sensitive, so whenever I get spanked, it leaves marks on my ass! I don't mind it, but my agent always says, "No marks." Haha!

## ***Do you like spanking other people?***

I'm trying to embrace that, but I'm scared that I might hurt someone.

## ***What is the wildest thing you've ever done off set or in front of a camera?***

Off set, probably going to swinger and fetish clubs in Europe; you can do anything you like there! There are rooms where it's all dark and I don't know who is touching me, whose cock is in my mouth or whose cock is in my ass. So many hands and lovely bodies! It is very exciting. I lose all sense of time and just let myself be free. I had a big orgy with my boyfriend and two of his best friends and two of my best friends—six of us total! It was a one-off thing that nobody ever wants to talk about again...except me! LOL! On camera, I don't even know where to begin...I've done so many crazy things!

## ***Have you ever been pissed on or pissed on someone?***

Yes, I have been pissed on many times! But I've never pissed on anyone. I didn't think I would like it, but I really do! It's so dirty and improper for a nice girl like me, and that really turns me on. I guess I am a bit subversive.

## ***Did they piss in your mouth?***

Yes, and I swallowed! I like to please. :)

## ***What do you think about anal sex?***

I love anal! I've always done anal. Sometimes, when I really liked someone, I would *only* let them fuck me in the ass because I felt like I didn't deserve to be fucked anywhere else. My mouth, but not my pussy.

## ***How old were you when you first did it?***

I was 15 years old. I used to watch porn, and I saw the girls do it, so I decided that I wanted to do it with my boyfriend at the time. He was younger than me, and I think he was a bit shocked, but he did it. And I've loved it ever since!

## ***Are you more interested in the art of fetish modeling or the sex of fetish porn, or both?***

I like it all! I love fucking so much; that's why I'm here! I don't see a big difference between art and porn. It's all art, isn't it?

## ***So you like to see photos of yourself?***

Yes, I do. I am an exhibitionist as well. I like to keep them and go through them. It's great that I can look back at them one day when I'm old and say that I've done all this crazy stuff. It's cool. Plus, I am having a lot of fun doing it!

## ***Are you in a fetish lifestyle partnership?***

I was for a long time, but I'm seeing someone new now. I'm trying to get him to be a little more open-minded sexually.

## ***Is there anything else you'd like to say to the TABOO readers?***

Just to go check out my work and enjoy! I do this for you, too! Follow me on Twitter and you'll see a lot of me and my friends doing what we love!

## AVN LAS VEGAS

Photos by Gerry Koehler

The adult industry's biggest event, the AVN Show in Las Vegas, while not a fetish event per se, always has a smattering of fetish delights. It's a great place to see the porn stars of your dreams come to life. Some are rubber-clad, leather-wrapped or offering up their asses for a good whipping. Things get even more saucy when the sun goes down in a town that truly never sleeps. Make your way there and be a part of the scene. Bring your camera.

The piss party begins as house slave Hiroko spreads her pussy lips and looses a surging gush of hot urine. In an agony of discipline, she stops the flow repeatedly to change positions, rationing her reservoir so she can spray in various vulgar stances—thrusting up her pelvis, sticking out her ass—a joy for all who watch.

The guests soon join in, using her mouth, cunt and ass for their pleasure, or as plumbing fixtures, depending on their preferences. Glazed with piss, spit, sweat and cum, she smiles and concludes, "I love my job!"

## ***Do you have an interest in fetish in your personal, private life?***

Yes, I do. I've been in the scene for about four years, and I love every minute of it!

## ***How old were you when you started having kinky thoughts?***

I think in my teenage years. Working as a server, we would always whip each other with towels in the alley. I was like, *ooh, that feels nice*, but it didn't really hit me until I moved to the Bay Area and got a taste of the kink world. I went to a dungeon and literally fell in love, and I haven't looked back since.

## ***You enjoy rope bondage. When did you first get tied up?***

A few weeks after I got involved with a scene, I had my first suspension. It was like swinging on a swing set as a child. It was the most amazing feeling in the world. Then I had a play partner who would do a bunch of floor work. I love being hogtied; it's one of my favorite positions. There's just something very comforting about being in bondage for me.

## ***Was your first rope experience with a boyfriend, or someone who knew what they were doing?***

It was with a person who knew what they were doing. In my teenage years, I used to have trouble sleeping, and I would hold my hands with my wrists together and put them over my head as if I was to be tied. It would immediately put me at ease and I could fall fast asleep. Yeah, I can fall asleep in bondage, if it's not too painful.

## ***Do you consider yourself an exhibitionist?***

In certain situations, yes. I love going to dungeons and playing publicly, and I like going out with other kinky people to vanilla environments and doing kinky stuff in the open to see how people will react.

## ***What are some of the things you've done?***

I was out on a date and he lit up a cigar while we were walking around downtown Long Beach, and I let him ash it in my mouth. I literally got on my knees and let him do it, and it was the hottest thing ever. I don't know if anyone saw us, but the fact that someone *could* have is what's super hot to me.

## ***Is having a smoking fetish something that you enjoy doing?***

I do. I like to be an ashtray. It's a service thing, and I really enjoy that.

## ***If you had to pick one kink out of all the ones you do, what would it be?***

Rope, for sure. The more strenuous and intense it is, the more I enjoy it, the bigger high I get. The high lasts longer.

## ***When we were shooting, I asked you if you wanted to warm up with it first, and you said, "No. I'd rather be tortured with it." What was that train of thought about?***

Well, I don't know. I love pain and being forced to do things.

## ***So did that turn you on?***

Yes.

## ***Your pussy got really, really wet while I was shoving that into your ass. You were screaming in pain, but your pussy was so wet that I knew you were okay.***

Yeah, my pussy always gets really wet after a good beating.

## ***You enjoy peeing.***

Yes, I love water sports. I love when people pee in my mouth. I like drinking it, and I also like having it in my mouth and having it drip out and go down my body. I like the warmth of it and the power exchange between two people.

## ***Was this your first time peeing while in suspension?***

I think so. I can't recall. Maybe into a

bucket, but nothing like this.

## ***You mentioned that the only thing you didn't want to do was nipple clamps because you have sensitive nips, but you said I could clamp other areas.***

The nipple clamps are just too intense and painful for me to process, but the rest of my body is fine with being tortured. I've been pussy clamped before, but your clover clamps were the nastiest and most intense.

## ***How did you like the spanking?***

I loved the spanking! You have large hands, and you are strict!

## ***What's the craziest BDSM experience you've had?***

I had a really intense scene recently that sticks out in my mind. I had about 25 clothespins all over me, and he ripped some of them off, then got a flogger and whacked my backside and my front. I don't cry easily, but I was almost at my breaking point! But I got through it, and it was amazing! I don't regret any of it.

## ***Do you have a preference between bare hand, flogger, cane or whip?***

My top two favorites are a cane and a single-tail whip.

## ***Have you ever done any role-play scenarios, such as abduction?***

I've done scenes like that, but I've never done it in my personal life. I would love to do that! I'd like to be abducted, tied up and blindfolded, and then realize it's one of my partners. Hopefully, one day that happens.

## ***Do you have any fantasies that you haven't done yet that you'd like to try?***

I haven't been someone's submissive for a long period of time, like a whole weekend. I'd like to experience something more intense.

MANDY & FRANK

WIRED

PHOTOGRAPHER  
LEE FORBES

Frank's program is working better than expected, but then, I'm an easy subject, already trained to slavery under his exacting, scientific regimen. But The Box works on me like nothing else. I drip at the sight of it, as he verifies with well-informed fingers. Standing on trembling legs, I answer his precise questions about the dilation of my anus and my clitoral enlargement, knowing if I falter he'll zap me with the pussy probe.

But then comes the intense, inhuman pleasure of The Box's electrified attachments, pulsing relentlessly away in my vagina and rectum, convulsing me in wave after wave of involuntary orgasmic spasms. It doesn't matter what I do; I'll just keep coming until I'm a whimpering, begging, cock-crazed slut, pleading for real meat. Fiendishly, he leaves the butt-plug throbbing in my sphincters while he packs my cooch, then switches holes, amping me in front as he pumps my ass, enjoying my internal gymnastics. What can I do but gratefully suck out every drop of his jizz? It's just a conditioned response to the brilliant scientific efforts of my very own evil genius.

I looked down at her soft flowing hair as she began my healing. She glided me past her soft lips into her warm wet mouth which sent tingling sparks to my brain.

I made my way down kissing her neck, erect nipples, belly and then to her feminine flower that was already dripping wet and hot.

Clean, smooth, tasty with perfect small delicate petals. My favorite kind of flower to dine on. And I did and loved it.

She is the girl that in high school everybody wanted and only the star quarterback got.
